

2019 0803 Committee

John Grundy (Chair) (Monash University, Australia)
Stephen MacDonell (University of Otago, New Zealand)
Philippe Kruchten (University of British Columbia, Canada)
James Noble (Victoria University of Wellington, New Zealand)
Maria Garcia de la Banda (Monash University, Australia)
Tim Menzies (N. Carolina State university, USA)
Maria Spichkova (RMIT University, Australia)
Burak Turhan (Monash University, Australia)

Quantitative: Top rated for programming languages, with good SNIP and reasonable SJR considering the relatively small amount of people doing research in programming languages. Q1 all the way until 2016 included. Qualitative: very good editor and editorial board. Excellent reviewing process. Decision to leave as A*
