Hi there,

Due to historical political shenanigans, information retrieval conferences had the 0807 FOR codes removed. However, the 080704 FOR code is "Information Retrieval and Web Search". At the 4-digit level, 0807 should therefore presumably include information retrieval conferences. Could you please consider the following:

ID: 42295 (SIGIR) - add FOR code 0807
ID: 42291 (CIKM) - add FOR code 0807
ID: 42777 (ECIR) - add FOR code 0807
ID: 42297 (WSDM) - add FOR code 0807
ID: 42430 (AIRS) - add FOR code 0807
ID: 43847 (WWW) - add FOR code 0807
ID: 42313 (MIR) - add FOR code 0807
ID: 43721 (SPIRE) - add FOR code 0807

Regards,
Falk.
