

Rankings committee 2014: John Grundy, Alistair Moffat, Lin Padgham,
Mark Reynolds, Vijay Varadharajan

Decision: Rerank as A

Rationale:

Based on the data supplied for this conference it will be re-ranked as an A. Specifically, the h5 in recent years, acceptance rate, and compared to other security conferences with higher and lower metrics.

This was considered as a comparator to ECOOP in its request to re-rank, but was then looked at as a comparator to Usenix-Security and other security conferences.
