

October 2017

Committee:

John Grundy (Chair, Deakin University)

Lin Padgham (RMIT)

Stephen MacDonell (Otago University)

Wen Hu (University of NSW)

Ali Babar (University of Adelaide)

Thomas Kuehne (Victoria University, NZ)

Antony Tang (Swinburne University)

There was some concern that this is not as strong as some A venues. However the data provided was quite poor, and so it was determined it would be unreasonable to downgrade it, given the poor quality of the data. Google h5 was not provided but is 22. It stays as A, but is somewhat borderline. Should be revisited in a future round.
