

October 2017, 0801 Committee:

Lin Padgham (Chair, RMIT)

Michael Winikoff (University of Otago)

Neil Dodgson (Victoria University, NZ)

Yuefeng Li (Queensland University of Technology)

Joarder Kamruzzaman (Federation University)

Karin Verspoor (University of Melbourne)

On evaluation of the data this was determined to be more of a C ranking than a B. It was determined to be weaker than the B comparators given. It has rather low h-index and impact factor and does not appear to have a committed core of regular strong researchers involved and publishing there. It also has a low number of submissions, and of published papers.
