

4612 2021 Ranking Committee

John Grundy (Monash) CHAIR

Maria Spichkova (RMIT University)

Stephen MacDonell (Auckland University of Technology and the University of Otago)

Antonio Vallecillo (Universidad de Malaga, Spain)

Hongyu Zhang (The University of Newcastle)

ICSME is currently ranked at A and the committee checked if the A rank is still justified.

The number of submitted papers is 135, 176, and 151 in recent three years, with an acceptance rate between 23% and 28%. These numbers are good for an A conference.

Most of the Chairs have h-index above 40. The average PC h-index is around 20. WPP is good - this conference was published at 114 times by 28 of 36 experts in the last 5 years. All these metric values indicate good quality of the conference.

ICSME is among the top 20 software system venues according to Google Scholar (#17, h5=33).

The committee members all agreed that the rank should remain at A.
