Policies

Chair Selection: Chair Selection: General and Program Chairs are selected according to their expertise. The General Chairs will be responsible for appointing members of the Conference Committee, and they should provide all facilities to ensure a successful event. The High Qualified Program Chairs should ensure that a well-balanced, high-quality program is organized and presented at the conference. They will Handle the Call for Papers through the selection and review of every paper. They will Assist in the scheduling of session rooms and helping with local arrangements for the program.
