Policies

Chair Selection: Conference Chair Designation

The KSEM conference general chair is responsible for overseeing the overall conference and ensuring that it aligns with our policies and values. We select our general chair based on their experience, leadership skills, and commitment to promoting ethical behavior and diversity in the field. The general chair is responsible for upholding our policies and values, as well as ensuring that the conference is inclusive and welcoming to all attendees.

KSEM program committee chairs are designated based on their academic leadership, expertise, experience, and commitment to promoting ethical behavior and diversity in the field. We expect our program chairs to prioritize diversity in their selection of keynote speakers and accepted papers, as well as in the overall program design. Additionally, program committee chairs are expected to facilitate open and respectful discussions and ensure that all participants have an equal opportunity to contribute and engage.

KSEM Steering committee chair will announce this together with the winning hosting organization for the coming conferences.
