

4602 Committee

Michael Winikoff (chair), Eneko Aguirre, Noa Agmon, Christian Blum, Longbing Cao, Sergio Grecco, Reza Haffari

Decision

Conference to be tagged as National/Regional

Justification

The conference has been held almost always in the Iberian peninsula (DBLP lists two non-Iberian instances, but one of those was actually online during COVID).

The committee considered its ranking, and would have recommended ranking as "C" noting that most of the stronger PC members have not published recently at DCAI, and quite low citation centiles.
