For2: 4603
For3: 4605

Recent Years

Proceedings Publishing Style

Proceedings Publishing: series
Link to most recent proceedings: <https://link.springer.com/book/10.1007/978-3-030-37334-4>
Further details: From the first international edition, the publisher is Springer. There are two series in which the proceedings are published: Lecture Notes in Computer Science and Communications in Computer and Information Science. In the first series full and short high-quality revised papers with only positive reviews (at least three) are published along with tutorials and invited talks. In the second series, we publish revised works that received not that high positive scores or one borderline or weak reject score, but demonstrated enough maturity in the respected fields to be presented as a full or short talk.

Policies

Chair Selection: The chairs are invited and selected based on their high-level reputation in the respected area by the Steering Committee. For each area (or track) we invite one senior PC Chair abroad and one (non-necessary senior) chair from Russia (or one with proficient knowledge of Russian or with good connection to Russian, European or other regional scientific communities).
