Other Information

Other Relevant Info

Other relevant information: WoWMoM has been inserted in the AllChanges-ONLY List with the indication to downgrade it to rank B. In the attached document, we will compare the performance of WoWMoM with that of other Rank A conferences in CORE 2020 (and in the same Field Of Research) that will maintain their A Rank (i.e., they are not included in the AllChanges-ONLY List), with a goal to argue that WoWMoM should also maintain the A Rank. Specifically, in Table 1, we compare the WoWMoM H-Index with the H-Index of conferences ranked A in CORE2020 (Field Of Research: 4606 - Distributed computing and systems software) but are not in the AllChanges-ONLY List and hence maintain the A Rank.
