Michael Winikoff (Chair) (Victoria University of Wellington, New Zealand)

Emanuela Merelli (University of Camerino, Italy)

Tony Wirth (University of Melbourne, Australia)

Strong metrics, and one of the top journals in its field; retained A rather than raise to A* primarily due to inertia and Operations Research (already A*) comes ahead on some metrics.

The Panel considered: Editor-in-chief and Editorial Board for OR (both clearly strong); WPP (using INFORMS fellows; showing these are the top journals); scimago (OR: consistently Q1, H=122; EJOR slightly behind OR on ranking, ahead on some other factors).

Overall, the panel recommended retaining current rankings (A* for OR and A for EJOR).
