

Rankings committee 2014: John Grundy, Alistair Moffat, Lin Padgham, Mark Reynolds, Vijay Varadharajan

Decision: Data supplied in relation to request for AISTats. Current ranking of A retained for now.

Rationale: Acceptance rates 27-36%. quite large. h5 is 22, which is well below 20th venue with h5 of 36. It is amongst As and Bs in Arnetminer though quite low. Looks a bit borderline, but retain as A for now.
