

Rankings committee 2014: John Grundy, Alistair Moffat, Lin Padgham,
Mark Reynolds, Vijay Varadharajan

Decision: Rerank as A. Place on monitoring list as committee was a bit unsure.

Rationale: Small with good GS ranking. Data supplied for 4 reference conferences (by 2 groups), 3 of which required reranking. Could not find in Arnetminer ranking list. Bias on the positive side due to good provision of data, including reference conferences.
