

Rankings committee 2014: John Grundy, Alistair Moffat, Lin Padgham,  
Mark Reynolds, Vijay Varadharajan

Decision: Rerank as A

Rationale: Chairs are consistently strong, acceptance rates are around 20%, Google Scholar and Arnetminer both rank it in the A range. It is a specialised, small but increasing conference which appears to be of A quality. Data was provided as requested for 2 weaker reference conference that were ranked A.
