

Rankings committee 2014: John Grundy, Alistair Moffat, Lin Padgham, Mark Reynolds, Vijay Varadharajan

Decision: Leave as A, but will be put on a watch list and may be revisited at a later date. It seems weaker than VR

Rationale: Data and opinions in discussion suggested this may be at the A/B border: low A or high B. Taking a somewhat conservative approach to reranking to a lower level, it was decided to leave as an A currently.
