

October 2017

Committee:

John Grundy (Chair, Deakin University)

Lin Padgham (RMIT)

Stephen MacDonell (Otago University)

Wen Hu (University of NSW)

Ali Babar (University of Adelaide)

Thomas Kuehne (Victoria University, NZ)

Antony Tang (Swinburne University)

The committee agreed that this was appropriately ranked as A. It's h5 in google is 23, not that far below the 20'th venue (28) and it has good h indices from other sources as well as high impact factor. It does have a number of strong researchers who publish there regularly.
