Summary Argument:

MobiSPC targets emerging scientific and technological fields (pervasive and mobile computing) that bring in novel paradigms for computing models.

MobiSPC has high quality published papers, illustrated by the acceptance rate.

International impact of MobiSPC is high: authors and participants are coming every year from twenty different countries worldwide.

MobiSPC conference is hosting associated workshops (on average five workshops per year).

MobiSPC keynote speakers are well-known and established researchers in the themes of MobiSPC.
