AIAI was ranked "regional", and requested to be ranked "B", since it has been held in a range of venues (<http://www.aiai2020.eu/previous-aiai-events>).

Although most of the committee felt it should be ranked as a "C", one member indicated a "B", flagging a number of positive indicators, such as the strength of the chairs. However, on the other hand, the acceptance rate was somewhat high, and the PC was predominantly less established researchers, with the more established researchers mostly not publishing in AIAI.
