

2021 4603 Committee

Zi Huang (University of Queensland)

Thanh-Toan Do (Monash University)

Dong Xu (University of Sydney)

Jianfei Cai (Monash University)

Min Xu (University of Technology Sydney)

Xian-sheng Hua (Alibaba DAMO Academy)

Tatsuya Harada (University of Tokyo)

This conference is considered as a comparator with the rank of B. The committee determined that this was justified as all data indicators were indicative of a B conference.

Although the size of the conference is relatively small (29 publications in the most recent year), the conference has a relatively strong h5 index (15) for its ranking.

Also, the conference attracts increasing number of experts to publish in recent 5 years. A B ranking could thus be justified.
