The number of accepted paper ranges between 15 and 30 which is quite small. The H5 index is relatively small (16). The PC chairs H-index (21) is solid, but the PC members H-index (13) is on the lower side, with many junior or emerging PC members. Out of 12 PC members, 4 published at least once, 2 at least twice and 1 at least four times. For top PC members, SSDBM is the 5th most popular venue. They publish in A/A\* conferences like SIGMOD as well as in national conferences. The acceptance rate in 2018 is 40% (it was 30% in 2019).
