The submission requested a reranking from unranked to A. This is a small size conference with 20+ papers with acceptance rates from 22% to 36% in the past three years. The Google h5 index of this conference is 23, its PC median index is 20, established PCs is 14/25, which is at the borderline of an A conference. This conference was published at 45 times by 10 of 22 experts in the last 5 years. The citation rate per paper of this conference is 5 (by ACM), and there is no its citation centile data and hindex25 data available in comparison with other A*/A conferences. Furthermore, it is not ranked by CCF and Aminer. The committee determined that the standing of this venue in the community did not warrant a rank of A as requested. However, the committee did agree that SEC is at rank B.
