The submission is maintaining the rank of B, which was considered to be justified. The conference has an h5 index of 33, and is 11th on the Google Scholar top 20 list of HCI conferences, which is strong for a B conference. The conference has well over 100 submissions each year, with a typical acceptance rate of 36-42%.

The General Chairs are often very strong with most of them having h-index scores of greater than 50. The Senior PC seems to have an average h-index of 15-19, and most of the experts in the field (12/16) published at this conference at least once in the last five years.
