The submission requested a new ranking at the rank of B, which was considered to be not justified. The conference has an unknown h5-index, and a relatively high acceptance rate around 60% with between 63-86 submissions per year, publishing less than 50 papers each year. The General Chairs have h-index scores around 19, The Senior PC seems to have an average h-index of 7 and 10 out of 84 (11%) have an h-index above 18. Only a small number, 2 out of 11, experts publish at this conference in 1 or more years. The panel concluded that a rank C is justified.
